Printhead Cleaning Film

Datamax's new Printhead Cleaning Film contains no chemicals and is made up of a material that is strong enough to remove all of the unwanted buildup on the printhead surface. This new cleaning film especially effective for those applications where a resin ribbon is used. The properties of the film effectively remove all of the harmful, hard to clean residue that a resin ribbon leaves behind. Each cleaning film provides an exceptional value at 20 cleanings and is available in 4-inch, 6-inch and 8-inch sizes. [Click here](#) for more information.
