

Thermal Transfer Label & Ribbon Kits

Thermal transfer label and ribbon kits feature the convenience of both labels and ribbons combined in the same case at a very attractive prices. Available with ribbon configurations coated side in and out for all popular printers. Just think of the benefits:

- VALUE PRICED!
- Matched, high quality products for optimum print quality and printhead life!
- Exact 2:1 ratio of labels to ribbons minimizes waste and maximizes operator's time.
- No inventory surprises—simply keep track of the labels—the ribbons take care of themselves.
- Reduced shipping costs by eliminating the extra ribbon boxes.
- Easy to order; many sizes available.
